- 5、结论

1、何为特色资源

定义：

- ARL的定义
- 广义的“特色资源”
- 特色资源的基本要素
 - Unique and distinctive （“独”、“特”）？
 - 结合本校特色和服务需要
(Cullingford, 2014)

2. 研究综述

(1) 特色资源地位的转变

- 学术研究对一手资源的依赖 (ARL)
- 挖掘“隐藏资源”项目 (Purcell 2012)、特色资源数字化 (Daigele 2012)
- 纸质收藏地位下降，特色资源地位上升 (Cullingford 2014)
- 提高图书馆的声誉

2. 研究综述

- 趋势:

Moving special collections
departments from periphery to the
mainstream

特藏部从边缘转向主流

2、研究综述

(2) 对特藏图书馆员的角色/职责研究

- 保持传统角色之外，逐渐扮演“复合型”人才（Corrall 2010）。
- 负责办展览、推广资源、申请项目经费、对外合作、数字化、募款等等（Erway 2012, Theimer 2014）

2、研究综述

(3) 存在的问题

•研究不足

- 特藏馆员的研究角色
 - 尤其将科研与推广特藏割裂
- 特藏馆员与学者合作

•实际问题

- 用户对特藏资源的刻板印象
- 学生对特藏使用的恐惧心理
- 教授 / 研究者对图书馆员缺乏信任
- 图书馆领导层对特藏发展的支持不够

(Cullingford 2011)

3、研究问题

问题：

- 特藏馆员如何能更好地推动特藏的建设与服务？

假设（hypothesis）：

- 发挥科研角色，不仅为科研服务，同时投入科研，从而建立可持续性的馆员—学者关系。

4、个案研究

SPEECH BY GEORGE YEO (杨荣文)
SINGAPORE MINISTER FOR FOREIGN AFFAIRS

AT THE OPENING CEREMONY OF THE "THIRD INTERNATIONAL CONFERENCE OF INSTITUTES
& LIBRARIES FOR CHINESE OVERSEAS STUDIES" ON 18 AUG 2005 AT 9.20 AM

1. Today's conference commemorates the 600th Anniversary of the first of Zheng He's voyages amidst considerable optimism about China's future in the 21st century. This was not the case a hundred years ago. In 1905, the 500th Anniversary would not have been celebrated at all. The Qing Dynasty was in its death throes. Ten years earlier, after the defeat of the Chinese fleet, the Treaty of Shimonoseki gave Taiwan to Japan which occupied it for 50 years. In 1905, Japan also annihilated the Russia Baltic fleet in the Straits of Tsushima. The 1911 Revolution in China and the 1917 Revolution in Russia which followed were defining events at the beginning of the 20th Century. The fires of nationalism were also lit in India and Southeast Asia. The whole of Asia was in turmoil. Japan's non-peaceful emergence helped to hasten the end of the Western empires in Asia. With the dismantling of the Ottoman Empire after the First World War, the Islamic world entered a new phase. Ataturk's refusal of the Caliphate left the Islamic world leaderless creating a spiritual void which spawned new movements, one of which evolved to become the driving philosophy of Al Qaeda today. Among the Western powers, the centre of power moved across the Atlantic from Great Britain to the United States.

A Message from the Premier

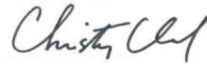

As Premier of the Province of British Columbia, I am very pleased to welcome everyone to the 5th International Conference of Institutes and Libraries for Chinese Overseas Studies.

The conference presents an excellent opportunity to build on the relationship between librarians, archivists, and scholars and explore the theme of Chinese transnational migration. I wish you the very best in your deliberations as you network with your peers and develop best practices in documentation and information sharing.

To the delegates who are visiting from outside of Vancouver, I would like to extend my warmest welcome to you. I hope your stay at the University of British Columbia will be most pleasant and rewarding.

Please accept my best wishes for a productive and interesting conference.

Sincerely,

Christy Clark
Premier

I am pleased to extend my warmest greetings to everyone taking part in WCILCOS 2012, the Fifth International Conference of Institutes and Libraries for Chinese Overseas Studies, co-hosted by the University of British Columbia Library and the Ohio University Libraries.

Canada's thriving Chinese community enriches our society and plays a vital role in our success at home and abroad. In recent years, with the influx of immigrants of Asian origin, growing interest in the culture, and the rising economic influence of the Far East, Chinese studies programs have blossomed in Canadian universities.

As the field of Chinese overseas studies advances, the task of collecting, preserving, and sharing the expanding body of information becomes an issue. This conference brings together scholars and librarians to discuss emerging trends and common challenges facing the profession. I am sure that delegates will benefit from the opportunities to interact and exchange ideas with one another and will leave the conference with fresh insights and renewed enthusiasm for the important work that they do.

Please accept my best wishes for an enjoyable and productive conference.

The Rt. Hon. Stephen Harper, P.C., M.P.

Greetings and a warm welcome to all delegates of the 5th World Confederation of Institutes and Libraries in Chinese Overseas Studies (WCILCOS) Conference. The University of British Columbia is delighted to have this conference return to North America and the Pacific Northwest, the gateway to the Pacific Rim, this year and to be co-hosting with the Ohio University Libraries. It is truly an honour for UBC to be the first Canadian host of WCILCOS as part of the university's commitment to international engagement.

UBC's international partnerships are founded upon research excellence and collaborations. UBC has a long history of building relationships and networks with our colleagues in China, gaining scholarship, expertise, and partnerships that have enriched UBC and our faculty members and students.

UBC's Asian Library is home to a world-class collection, often attracting global researchers to the university, and we have strong collegial relationships with other academic research libraries in China. There are more than 1,700 Chinese students pursuing degrees at UBC and many UBC alumni in mainland China. There is a growing number of graduate students from China who come to UBC with prestigious China Scholarship Council awards.

Opportunities like the WCILCOS Conference provide a place for dialogue, discussion, and sharing of ideas among colleagues in education, research, and culture. Over the course of the next few days, I hope you will be inspired by the work of your colleagues and the beauty of this campus. Please accept my best wishes for a successful and rewarding conference.
